Re: Resident Events Committee  
February Update  
August 28, 2024

To: HGRD Board of Directors:

Below is the August Resident Events Committee report that is the final one for the season.

The balance at the end of the year is approximately \$8,947. The Committee would like to set aside monies for the following items.

Restaurant: The F&B Manager would like to purchase a portable drink / food cart to allow them to provide food and drink for remote activities. Per the Resident Events Committee Charter, we would like funds to be allocated for a future larger item that benefits Food & Beverage. The amount to be allocated is \$6,000

Maintenance: Covers to go over the 12 Handicap signs in front of the ballroom when the handicap spaces are moved to the tennis courts. This is necessary when functions require the usage of the spaces in front of the ballroom. \$350.00

Maintenance: New portable pylons with barrier belts to block off sections of the parking lot for events and functions. To include an estimate of 13 cones & 10 belts = approximately \$850. (Sample pics attached)

### **Planned events for fiscal season 10-2024 to 9-2025**

#### **Booked**
