

RECREATION DISTRICT

**Billing Statement Preference Form**

Protect the environment and make paying your bills easier! If you are still receiving paper statements, please consider changing your statement preference to email only. By choosing to discontinue paper statements, you are saving the community money, which has the potential to directly affect the amount you pay for your quarterly maintenance assessments in the future. Please fill out this short form and return it to the Administration Office in one of the following ways. Thank you for your cooperation.
